General Information

For more information on Singapore, visit:

<http://www.visitsingapore.com/publish/stbportal/en/home.html>

Weather

Located a mere 1.5 degrees north of the Equator, the weather is usually sunny with no distinct seasons. Rain falls occasionally, usually in sudden, heavy showers that rarely last longer than an hour, so it's wise to carry an umbrella at all times, both as a shade from the sun or cover from the rain.

Exchange Rate

The exchange rate fluctuates. Do refer to website <http://www.oanda.com/convert/classic>

Money can be exchanged at the airport, banks and major hotels. ATMs are widely available. Most big cities have ATMs which accept Visa, MasterCard and American Express.

Tipping

10% service charge is usually included in the bill. In such cases tipping is not necessary. Tipping of taxi drivers is not customary.

Food & Drink

Water from the tap is safe for drinking. Otherwise you can buy bottled mineral water from convenience stores such as 7-eleven or supermarkets that are almost everywhere!

In Singapore, people don't always eat at restaurant. You can find cheap and good food at non air-conditioned hawker centre or air-conditioned food court.

Below are a few recommended good spots:-

- 1) Newton Circle – Non air-conditioned hawker centre that serves good seafood and other variety. Try the sambal stingray, sambal sotong or chilli crabs if you would like some spicy taste.
- 2) Lau Pa Sat – You can find a whole row of stalls selling chicken, mutton, beef, prawn satay etc from 7pm daily. There are also stalls that sell local food such as laksa, bakt ku teh, hainanese chicken rice & roti prata etc.
- 3) Food Court at 313@Somerset, level 5 – If you happen to be in Orchard area! Prices in food court are generally S\$1-2 higher.

In fact, there is at least one food court in every shopping centre. You will not have any difficulties in finding cheap and good food!

For those who like nightlife, below are a few popular spots:-

- 1) Chjimes – Nearest MRT will be City Hall. There are many restaurants and pubs within the cathedral compound.
- 2) Clarke Quay & Boat Quay – Nearest MRT will be Clarke Quay. Many pubs and discos are located along the riverbank.
- 3) St James Power House – Nearest MRT is Harbour Front. There are several pubs and discos located within the same building with different themes and concepts. You can do bar hopping here and have a taste of various atmospheres ranging from retro to jazz to canto pop.

Shopping

There are several areas in Singapore that are good for shopping:-

- 1) Orchard Road – You will find a whole stretch of shopping centres such as Wisma Atria, Takashimaya, Paragon and Centrepoint etc. The newest addition will be Orchard Central and 313@Somerset.
- 2) Marina Square & Suntec City – This is another shopping heaven. Nearest MRT station will be City Hall. You can start your shopping the moment you step out of the train station.
- 3) Bugis Village – This area sells more teenagers stuff. There is also a shopping centre called Bugis Junction.
- 4) Vivocity – Nearest MRT station will be Harbour Front. Sentosa is just across the island.

- 5) Mustafa Centre – 24hour shopping centre that sells almost everything from electronics, clothes to food!
